

Ronni – Susan and I want you to know how much we appreciated all that you did in representing us on the purchase of our new home in Fairview, and the sale of our home in Plano. I have bought and sold many homes over the years, but never have I seen the extraordinary level of service, great communication, and downright hard work that you exhibited throughout the process. We love the new house!

Cleary, your marketing method is outstanding as well. As you know, our home sold in about three weeks, and we had the opportunity to review several offers. The unbelievable time and effort taken to present our home with fine photography and professional descriptions was invaluable. Folks are still telling us how great the home looked on your website.

I could go on and on, but just want you to know it was a distinct pleasure working with you from start to finish! Thanks again for being so good at what you do, and all the dogs say hi!
